DELIVERY PERFORMANCE AND TRACKING

To ensure the continued delivery of our high quality and prompt services, the following measures are in place:

- SLA is continually monitored using GPS tracking in all vehicles. Details of each trip are recorded and assessed to ensure the safety of the drivers, vehicles and goods transported.

OUR CLIENTS

HEALTH AND SAFETY

We are committed to ensuring that the cargo of our customers reaches all destinations safely and without any setbacks. Similarly, the health and safety of all our employees is very important to us. In this regard, extensive occupational Health and Safety procedures have been implemented, and all Health and Safety regulations are strictly adhered to. We have implemented a strict Alcohol and Drug Policy, and random checks are implemented throughout SMS Logistics on all personnel. A policy of “No Tolerance” is enforced.

STAFF AND DRIVER MANAGEMENT

SMS Logistics has a management structure which ensures administrative accountability and exceptional client service. Administrative control is exceptionally important to us, and functions at the highest level possible. This is to ensure quick and efficient invoicing of clients, which means that customs documentation is rapidly returned to clients for tax purposes
